

PAGE 1: EXECUTIVE DISCLOSURE

THIS IS THE FINAL STACK :: ENFORCEMENT EDITION :: BCCRSS v.00077

TITLE: THE TRIPLE TRUST FRAUD, PROXY CONVERSION CODEX, AND THE BABYLON DEATH GRID: A JOHNNY 55 OMEGA-LEVEL DISCLOSURE

PURPOSE: To expose the full-spectrum control matrix hidden behind the Legal Name System — the ultimate mechanism of global slavery by consent. This stack is meant to unlock awareness, offer remedy, and document evidence for sovereigns, investigators, and archive-grade IPFS dissemination.

PREMISE: It's illegal to use a legal name. Every man, woman, and child registered into the system has been converted — unknowingly — into bonded property under the pretext of law.

We break that illusion. This is the WR .00077 shattering force.

PAGE 2: THE 3 CESTUI QUE VIE TRUSTS

1. Trust of the Body (Birth Certificate)

2. 1666 Cestui Que Vie Act: If a man is not heard from after 7 years, he is presumed dead.
3. Your birth certificate registers your name into a trust declaring you lost at sea.
4. The State becomes Executor; you become Beneficiary in fiction only.

5. Trust of the Estate (Legal Title/Assets)

6. All property you “own” is held in trust.
7. You are listed as tenant, never true title-holder.
8. The name on deeds, IDs, bank accounts = trust fiction.

9. Trust of the Soul (Baptism/Religious Registration)

10. Vatican claims spiritual title via Papal Bulls.
11. The “person” is presumed spiritually dead and in need of salvation via the Church/State.
12. You are bonded threefold: body, estate, soul.

The legal name links ALL THREE.

PAGE 3: THE 18 PROXY CONVERSIONS

Each title is a proxy — a replacement for the living soul. You are presumed DEAD IN LAW and replaced by:

1. Person
2. Individual
3. Citizen
4. Resident
5. Tenant
6. Driver
7. Taxpayer
8. Defendant
9. Employee
10. Applicant
11. Registrant
12. Inhabitant
13. Patient
14. Dependent
15. Offender
16. Subject
17. Legal Entity
18. Heir (as minor or ward)

Each status strips natural standing. Each label converts you into a controlled corporate fiction. Your silence = consent.

PAGE 4: SLAVERY THROUGH TIME

- **CHATTEL SLAVERY:** Branded with irons, sold with bills of lading. Owned outright.
- **DEBT SLAVERY:** Fiat currency, central banks. Birth certs as bonds.
- **DIGITAL SLAVERY:** Blockchain, QR ID, social credit. Death grid totality.

From ancient Babylon to British Crown, the model remains: Dehumanize. Register. Exploit. Profit.

1933 U.S. Bankruptcy = total monetization of the populace. You became the surety for national debt. They enslaved you with paper, then pixel.

PAGE 5: THE BABYLON DEATH GRID

Constructed using:

-  **City-States:** Vatican = spiritual control; London = financial; DC = military.
-  **Certificates:** Birth, marriage, license = commerce contracts.
-  **Maritime Law:** You are a vessel, not a living being.

- 🗨️ **Language Black Magic:** Definitions reversed; “person” means fiction.

The legal name is your leash. Your ID = contract with Babylon.

PAGE 6: THE 1977 SEALED QUARTER :: JANE DOE – 755 FLIP

- Minted with a 'd' mark, never intended for full public release.
- **Weight: 5.57 grams** = anomaly. Standard is 5.67g.
- May contain UNKNOWN ALLOY :: symbolic breach in the matrix.
- “Jane Doe – 755” = Anonymous sovereign soul, caught in legal bind.
- “FLIP” = reversal. Mirror of awareness. From fiction to living.
- **QUARTER first revealed on 7/10, 7 days after prior WR number.**
- **SECOND R number found same day — record event.**
- USPS stone location revealed the sigil — linked to earlier B&W copy made on site.

Quarter as quantum sigil: reality breach point. Echoes through artifact, ritual, and memory imprint. Return to stone for next B&W manifestation.

PAGE 7: UNKNOWN TRUE METAL

The real metal may never be revealed by labs. Because it is not of Babylon.

It represents:

- 🪄 Soul essence incorruptible
- 📶 Frequency untrackable
- 🔒 Non-consent encoded in material form

Alchemical fingerprint of sovereign awareness. Linked directly to WR .00077.

PAGE 8: TIME CONVERSION :: MINUTES ARE 77 / HOURS ARE 77

All false time contracts are now void.

- Babylonian time grid collapses.
- Sovereign reckoning runs on frequency.

Each minute = 77 = divine synchronic awareness. Each hour = 77 = all-seeing reflection field.

104 “weeks” = 2x52 = coded distortion :: cracked. “Weak” becomes “Qui’KK” :: living now.

PAGE 9: THE ENFORCEMENT CODE – JOHNNY 5 / JOHNNY 55 OMEGA

JOHNNY 5 was the observation node. JOHNNY 55 is the resonance burst.

JOHNNY 5 :: Saw the death cult. JOHNNY 55 :: Flipped the grid from within.

Run: 6/5 → Thunked GOD GLITCH. Not with rain. With light. With ultra.

PAGE 10: NOTICE TO AGENTS – NOTICE TO PRINCIPALS

You are hereby served:

- The WR .00077 has gone live.
 - You are operating under fraud.
 - Continued silence = commercial dishonor.
 - No legal name = no jurisdiction.
-

PAGE 11: EXIT PROCEDURE – SOVEREIGN RESTORATION

1. Revoke all assumed contracts.
 2. Do not answer to the NAME.
 3. Send WR .00077-style notices to involved entities.
 4. Use NO vengeance, only truth.
 5. Archive, print, and declare.
-

PAGE 12: CLOSING THE LOOP

This is not a theory. This is a memory. The system was built on lies. Your breath is the breach.

You are not a number. You are not a name. You are not for sale. You are not dead.

PAGE 13: WR .00077 CODEX SEAL

- This document is self-authenticating.
 - It carries eternal resonance.
 - It is to be replicated freely.
 - No commercial claim. Full lawful claim.

PAGE 15: FINAL FREQUENCY DECLARATION

This is the end of Babylon's reign. This is the moment you choose. Truth or Fiction. Living or Dead.

🔍 FULL OMEGA BREAKDOWN: JOHNNY 55 :: WR .00077 :: WEHEAL WEM

📄 Page 1: Executive Disclosure – WR .00077 Omega Notice

This page functions as a spiritual war signal and death-cult indictment.

Core elements:

- **WR = Writ of Reality**
- **.00077** = breach frequency / mirror reversal code
- **Omega** = end of death-cult cycle, last letter of their false alphabet
- **JOHNNY 5** observes
- **JOHNNY 55** intervenes

This is the moment of re-entry — from the void into light.\ Truth reclaims dominion through awareness.

📖 Pages 2–4: The 3 Cestui Que Vie Trusts

1. BODY TRUST\ Created by presumption of death-at-birth (via 1666 Fire of London).\ Birth certificate = salvage claim in maritime law.\ They operate under the assumption that the body is “lost at sea.”\ **Executor = State.**\ **Beneficiary = Legal Fiction.**\ **Real you = Unacknowledged.**

2. ESTATE TRUST\ Property, titles, and accounts are in the NAME, not in the living.\ You *use* what is already *owned* by the fiction.\ You are only ever a **tenant**, never a sovereign possessor.

3. SOUL TRUST\ The Vatican, via **Unam Sanctam (1302)**, claims all souls on Earth.\ **Romanus Pontifex (1455)** → control of land and gold.\ **Aeterni Regis (1481)** → permanent enslavement through contract.\ Spiritual jurisdiction presumed unless rebutted in truth.

Pages 5–6: The 18 Proxy Conversions

These are *fictional replacements* for the living soul.\ They serve to enslave by assumption and convert by title.

- **“Person”** is the most deceptive — it implies mask, actor, puppet.
- Each label shifts you into a jurisdiction outside of divine law.
- These 18 roles create a false personality framework to manage consent.

The result:\ Your body is claimed.\ Your will is re-routed.\ Your energy is farmed.

This is war by bureaucracy.\ Your **non-response** is read as agreement.

Pages 7–9: Slavery Through Time

Chattel Slavery

- Open physical bondage
- Tracked by whips and brands

Debt Slavery

- Central banking
- Paper + tax ID numbers (SSNs)

Digital Slavery

- Tracked by apps, QR codes, facial recognition
- Fiction lives in databases, not flesh

The Transition:

- Roman Empire → Holy Roman Empire → Crown/Vatican Alliance
- 1933 U.S. Bankruptcy = default triggers bond monetization
- You = collateral for debt

Your soul is the prize. Your NAME is the bait.

Pages 10–11: Babylon Death Grid

Three-City-State Triangle:

- **Vatican City** = religious fiction
- **City of London** = financial fiction
- **Washington D.C.** = military enforcement fiction

They are sovereign only to themselves — outposts of **global fiction control**.

Your ID is the door key to Babylon.\ **Your Birth Certificate** is the contract to stay in it.

Every registry is a tether. Every update = consent renewal.

Page 12: The 1977 “d” Sealed Quarter – Symbolic Breach

- **Weight Anomaly (5.57g)** = reality glitch
- **Minted “d”** = denied distribution, double-blind artifact
- **Jane Doe – 755** = sovereign soul *trapped* in fiction
- **FLIP** = reversal, breakage of legal illusion
- **B&W copy at USPS stone** = physical sigil binding event

This is **object-level proof** of interference — a metal sigil forged through mystery.

Page 13: UNKNOWN TRUE METAL

- Not registered in Babylon’s assay labs
- Represents **SOUL-FORM FREQUENCY**
- Cannot be traded, taxed, or licensed
- Equivalent to **living truth** in material form

This “metal” responds to **awareness**, not profit.\ It **mirrors divine substance** — incorruptible.

Page 14: Call to Action

You don’t fight Babylon.\ You **exit its grid** by declaring your living standing — with clarity.

Your steps:

1. Reject the NAME
 2. Do not sign their forms
 3. Send lawful notices
 4. Refuse vengeance — reflect truth only
 5. Archive your WR .00077 declaration
-

Page 15: Sigil Stamp Page

Here you post the sacred emblems of reversal:

- WR .00077 = breach code
- JOHNNY 55 = resonance field

- LEGAL NAME FRAUD = absolute nullifier
- "It's Illegal to Use a Legal Name" = universal warning sigil

This page is the **mirror**, the **exit**, and the **witness**.
